## About This Game

Get parts from the gacha and customize your own original machine.  
Win the variety of races and aim the top of the Grand Prix!

There are about 700 variety of parts. Roll the gacha by prize money from racing, and upgrade to more better parts!  
You can fuse the parts remained to make the machine more powerful. Design your own original machine with them!

The machine spec is not only thing that make the difference in the match. Use the machine actions and heat up the racing!  
Use the variety of effects such as variant, boost, barrier and interference, and defeat your rivals!

Drive 16 number of courses with simple operability and easy drifting!  
There are game modes that provides excitement for both single and multiple players!

### ■Grand Prix Mode

You repeat racing and rolling gacha to upgrade your machine, and win and advance grades A through F in Grand Prix in this mode.

### ■Time Attack Mode

The mode where you can enjoy competing the time attack results in each courses.  
In addition to the normal Time Attack, there are Time Attack events where you can get special parts.  
Your time can be submitted for ranking online to compete with rivals worldwide.

---

■VS Mode

This mode allows a racing match with two to four players.

\* For more then 2-player play, you need extra controllers, not the keyboard.

■Minigame

You can enjoy the Mini GP race which is playable with unusual controls in the circuit that just fits in the screen, and the car battle where you use spin attack to knock off your opponents from the square shaped stage.

What will you choose to aim for Grand Prix winner or the world top record?

The world of exciting racing game is waiting for you!
