a09c17d780

English,French,Italian,German,Japanese,Korean,Polish,Russian,Traditional Chinese

A good investment if part of a collection. If your like me and prefer to stock pile parts since it cost less money to upgrade then, then to buy parts, then this will be very useful to you, Storage upgrade Part 2 (the seond you buy) and Part 3 (the thrid one you buy) are only really good if you stock pile a heck of alot of parts for quick upgrade later.. SLOTS! SLOTS EVERYWHERE!
